

Hungersheath Farm Tea Room

8. TO CONTINUE ON THE WESTERN SECTION:

Turn right on leaving the Memorial Hall car park, walk up to the A53 and carefully cross over (the route is now purple dots). Follow Mucklestone Wood Lane for about 1km and turn into Chestnut Road on your left. After about 150 paces downhill, turn right by a green space to follow a path bordered by short wooden stumps. Keep right at a division in the ways and soon pass a children’s play area on your left. Continue as far as a children’s swing down below the path on your left and turn right on the path uphill. The path emerges onto a metalled road (Sharplands); follow this to a ‘T’ junction with Badger Brow Road going right and Queen Margaret’s Road going left. Turn left and follow the road to another ‘T’ junction (Mucklestone Wood Lane) and turn left to walk to Rock Lane on your right; point 2 on the Western Section.

LOGGERHEADS LOOPS WESTERN & TYRLEY IS A SISTER LEAFLET.

The Loggerheads Loops leaflets are part of an initiative by Loggerheads Parish Council designed to help parishioners to enjoy the wealth of lovely countryside which surrounds us. With thanks to Staffordshire County Council for a Community Footpaths Initiative grant.

Rights & Obligations

It is important to recognise that a ‘Right of Way’, although a legal right of passage, is NOT a matter of public ownership. Most of the rights of way pass over land where hard-working folk make their livings, so walkers have an obligation in parallel to the ‘right’ to avoid doing damage, not to leave litter and to re-close gates which they find closed. However, obstruction is another matter. If the way is obstructed, the walker has a right to either climb over the obstruction or to go around it. The proper authority for dealing with these matters is the County Council; ask for the Footpaths & Rights of Way Officer.

Loggerheads Parish Council

THE LOGGERHEADS EASTERN LOOP & HUNGERSHEATH LOOP

Eastern Loop walk, 6 miles (9.5km) from Loggerheads over Ashley Heath, Ashley Dale, and Ashley village.

Hungersheath Loop, 7 miles (11 km) from Hungersheath Farm through Lordsley, Winnington and Willoughbridge.
