

## LOGGERHEADS NEIGHBOURHOOD PLAN

**Update:** On 18 October, 81 residents attended a meeting at Hugo Meynell School to learn about the policies that have been drafted for the Neighbourhood Plan.

**Next Steps:** The draft plan is currently being screened by Newcastle Borough Council. It will be out for consultation in December for 6 weeks. Look out for the drop-in sessions that will be held at the Co-op. The feedback will be considered and any amendments made to ensure that the plan complies with planning legislation.

### Protecting Green Spaces

Local Green Space designation is a way to provide special protection against development for green areas of particular importance to local communities. It is proposed to designate the following spaces as Local Green Spaces in the Neighbourhood Plan: Play Areas at Almington and Bell Orchard, Ashley; Knighton railway cutting and play area; Tagedale Brook walkway; Hugo Way green space and play area; the green at Kestrel Drive; the Allotments adjacent to Hugo Meynell School; the football field in the Burnt Wood, Loggerheads; and the Turner Hodgkiss Nature Reserve in Hookgate. The information supporting these designations can be found on the Parish Council website [www.loggerheadsparishcouncil.co.uk](http://www.loggerheadsparishcouncil.co.uk). If you support this designation or have a contrary view please email the Clerk.
