Dear Resident,

Welcome to the latest edition of 'Your Parish Council', following our AGM in May, the Parish council has elected Mrs June Hodgkins as Chair and I am looking forward to working with June over the coming months to push forward some of the improvement projects in the parish, Cllr Hodgkins has served on the parish council for a number of years and has extensive knowledge of the area Cllr Sue Fox was elected as Vice-chair, Sue works for Staffordshire County Council Youth Services and has a number of exciting projects that we are hoping to build on over the coming weeks and months.

It's hard to believe that although the weather is so hot the parish council are already putting together a winter gritting route for the area, which will hopefully go some way towards alleviating a repeat of the situation last winter.

As always the parish council are very keen to hear your views or concerns and I would encourage you to contact me if there are any issues you wish to raise.

Jess Jenkinson—Clerk to Loggerheads Parish Council

Traffic Count—B5026

Earlier this month a traffic count took place along the

B5026, this was a joint initiative between Loggerheads Parish Council and Eccleshall Parish Council, volunteers spent 12 hours counting Heavy Good Vehicles using this road, the good news to report was that there are less HGV's using the road than there was 12 months ago, this will be reviewed again in the future.

Loggerheads Parish Festival 2010

For the second year running the Parish Council are fully supporting the Loggerheads parish festival which is being held on the 11th September. After a successful first year the organising committee have decided to relocate to a site in the centre of the village in the grounds of the Loggerheads pub. There will be many attractions and stalls along with a vegetable show with class's for all and the entertainment will be from 12 noon until 4 pm. This will then be followed by an evening function being held in the marquee - more details will be released shortly in the local press & websites. Any parish resident or organisation who would like to be involved on the day then please contact us at the parish councils office & we hope you will make a note of the date in your diaries and come along & join in this community event.

Ashley and Loggerheads Community First Responders

VOLUNTEERS NEEDED

We are keen to recruit volunteers to be trained by West Midlands Ambulance Service to become Community First Responders. We need day time and night time cover. Our aim is to provide 24/7 cover to our local community.

Would **you** be interested in joining our group?

We are also looking for volunteers to help fund raise for this much needed service. For example – bag packing once a year at a local supermarket; door-to-door collection on alternate years. Hours could be as little as 10 hours a year. It costs us over £16,000 per year to keep this group running. We receive no funding from the Ambulance Service.
